aymeks®

Who We Are

We are both a manufacturer and an exporter company of truck and trailer parts, established in 1996, started to manufacture only in 60 m2 workshop and after extension in 2015 continues for production in 14.000 indoor area , Gündoğar Makine A.Ş. which is located in Konya/Turkey is one of the leading and specialized company under the brand of Aymeks in manufacturing of Mudguard, Tool Box, Water Tank, Clamp-Stay for Mudguard, Fire Extinguisher Box, Wheel Chock With Hanger, PVC Profile, Corner Bracket, Foot Step, Rubber Strap. .. and so on for heavy duty vehicles and trailer groups.

Moreover, all moulds of the products that we produce are being designed, machined, manufactured meticulously by us. Our products are exported by Aymeks to the whole world in 4 continents more than 40 countries with our wide variety of the products range and the best, competitive prices for many years now.

As Aymeks Domestic and Foreign Trade, we strive to serve our valued customers and meet the needs in the sector.

We increase our production capacity in parallel with the product quality with the investments. We make along with our annual plastic production of 4.000 tones.

We are very pleased to work and cooperate with you.
We hope our business partnership will continue for more years...

Kind regards.

Aymeks.
